

BRIEF

MMX Retail was jointly appointed by British Land, with Smith Young Partnership, to undertake professional work on the regional shopping centre.

RESULT

The professional team prepared a full annual strategy report for the 1.42 million square feet of retail space, which was implemented and followed by the whole team. There were 27 rent reviews on average and MMX Retail instigated the preparation of background research documents for use at third party. The appointment ceased with the sale of LSI's 50% share.
